Paradise, NL | P: +1 709 325-1240 | rileydrk123@gmail.com | radrake@mun.ca

EDUCATION

MEMORIAL UNIVERSITY OF NEWFOUNDLAND

Major in Computer Science

(Concentrations : Artificial Intelligence, Visual Computing and Games)

Paradise, NL

2022 - Present

Relevant Coursework

COMP 2001 - Object-Oriented Programming: Studied OOP principles, simple refactoring, interfaces, event-driven programming, and program correctness.

COMP 2002 - Data Structures & Algorithms: Studied fundamental data structures, basic design techniques, and complexity analysis through pseudocode and hands-on implementation.

COMP 2003 - Computer Architecture: Explored hardware components, instruction set architectures, logic design, and the levels of abstraction in computer organization.

COMP 3200 - Algorithmic Techniques for AI: Studied specialized algorithms and data structures used to implement intelligent behaviors, reasoning, and learning in software agents.

WORK EXPERIENCE

HOME DEPOT

Overnight Freight Worker

Paradise, NL

Apr 2024 – Aug 2024, May 2025 - Aug 2025

- Dedicated to ensuring that the customers were satisfied by being easily accessible, friendly and quick
- Demonstrated great work ethic by frequently being tasked with manual labour
- Cleaned the store, Maintaining store safety and cleanliness requirements
- Collaborated with coworkers to complete routine tasks

PROJECTS

Robotics Tech. 3201

June 2022

ROV Project

- Researched different types of ROVs and created a 3D model of an ROV using SOLIDWORKS.
- Constructed the ROV using knowledge of construction and soldering.

COMP 2005 Software Engineering

Jan 2026 - Present

Blokus Project

- Worked with a team to develop a computerized version of the board game Blokus.
- Documented all work thoroughly through GitHub over many iterations spanning months.
- Programmed features such as difficulties, color vision deficiency mode, multiple CPU players.
